BRAIDWOOD BRUNCH RUN The third Sunday Brunch runs to Braidwood are continuing to be well supported, with a wide range of cars and motorcycles turning up. The run up the mountain at 10:30 is usually pretty clear with most of us getting a good run. The Braidwood runs have been blessed with good weather and February's run was no exception.

Geoff's Norton Commando, note front number plate, a rarely seen relic these days.

The brunch at the diner couldn't be finer; we have all learnt to resist the Number 1, and to opt for something a little less artery challenging filling.

A Bolwell, Mustang, Jaguar, Morris and a beautiful Ford Capri V6 and the Moruya Marauders Motorcycle gang enjoyed brunch.

The Braidwood runs are held on the third Sunday of each month, leaving the Adelaide at 10:00am other members are met at the Mogo Nursery 10:15, and at the second roundabout on the Kings Highway in Batemans Bay at about 10:30. These runs are open to all members; cars and bikes, old and moderns are all welcome. Phone Mal Mann on 0420756470 or email on malmann09@gmail.com if you want to know more.
