3. Visitors and New Members

We welcomed three new members, Matt, Gregg and Alex. Between them they own some very interesting cars, Volvo, Merc, VW and an array of very old cars and bikes. We look forward to getting to know each of them in the coming weeks and months.

4. President's Report

- The vehicle inspector's process, policy and guidelines have been completed and are now in operation with positive feedback.
- Brett Moore, as requested at the previous meeting, has forwarded a copy of his letter to the Minister, Duncan Gay, to our local member, Andrew Constance.
- Brett Moore advised the meeting that the club will continue to be part of the Bush Council for another year. One advantage of membership is we get a favourable break with the cost of our insurance policy. Mark Beaver is our representative on the council and will monitor on our behalf.
- The Show and Shine is well under way with judges confirmed and a total of 6 trophies arranged. All members should note the event date as Sunday 30 October. Meal tickets are being sold at club meetings.
- Apparently we have discovered that Historic Registration extends to include Caravans. Barry Apps is happy to inspect should one be needed
- There have been no objections regarding the creation and sharing of a list of members and vehicles. The list will contain Names, Phone numbers, Email address and details of vehicles owned. Home addresses will not be published.
