7. Events Report:

2017 Program.

- With Peter being absent Neil reminded those in attendance of some upcoming events:
- A reminder that Anzac Day services will be on at various locations on 25 April. There is always a requirement for about 3 cars for the Parade. Peter will issue a note shortly,
- National Heritage Day, May 21. A free day for all owners to go where they wish.
- Narooma Busking 27 May 2017. The organisers have been in touch , asking if we would be willing to make up a classic car display. They have booked the oval in Narooma (by the old lighthouse) and would like cars there by 9am. Unless there is significant interest I would anticipate members are more likely to drive their cars to Narooma at whatever time they feel like and view the busking and then leave whenever they wish. Please let me or Peter Smith know if you would like to be part of a formal display and can be there by 9am on the day.

8. President's Report:

- Brett talked about the great success with the BBQ which was put on for the visiting Goulburn Valley Drivers Club on Sunday 2 April. As an event it was very well supported with over 50 of our club in attendance and over 60 visitors. Thanks need to go out to people including Max Schier (the visitors were from his ex club and he really made them welcome with a lot of behind the scenes organising), Peter Smith who managed the BBQ organisation from a food and fire perspective! But along with

these two there were plenty of others like Jim and Lenore who hosted the visitors at their property, and people like Dick Fitzgerald, Barry Bowling and Bob Thistleton who helped with the BBQ etc. (Apologies if I missed anyone else). And adding to the success of the day was the location at SkyDive OZ. They made us feel very welcome.

- As far as the location of SkyDive OZ is concerned it raised the possibility that we as a club may find it a good Saturday meeting point. The Waterfront has been a little hot and cold in recent weeks and SkyDive provides what we might just be looking for, seating, coffee, parking, and we can watch those brave souls jumping out of aircraft. In the next couple of weeks we will investigate this opportunity further. It may be that the club will make a donation to them of a new BBQ unit and we already recognised they only have a pump out toilet facility so a donation was made before the Sunday event of \$100.
- As part of the AGM for the Bush Council, they have asked clubs for any comments, in particular on the 60 day log book trial. Brett has offered to make a positive submission on behalf of the club, along the lines of the letter he sent to the previous NSW Minister, Duncan Gay MP at the end of August 2016.
- Brett publically thanked Mark Beaver for taking on the role of Registration officer for the CVS.
- A suggestion was recently made to Brett by Eric Wiesman that we hold an "Auto Jumble Sale" as part of the Show and Shine. It certainly seems to have merit and will be considered.

9. General Business:

- a. Richard Fisher moved that a vote of thanks be noted regarding the Skydive OZ event which was loudly supported by all present.
- b. Regalia sales and development were spoken about. Rob Upton showed 3 different coloured t Shirts printed with C.V.M.C.E. At \$25 each they should sell well. Jackets with the club logo were also displayed (\$50). Please contact Rob or Donna direct with any orders or see them at the next club meeting.
- c. They also will be pursuing opportunities with number plate surrounds, badges and stickers.
- d. We have a cry for help please by Rod Deadman. He has a 1969 E Type and wants to undertake some restoration work. We believe that one of our members may have a similar vehicle. If so please make direct contact with Rod. He is travelling overseas at the end of April and would like to have his plans worked out before he leaves. Please contact him: roddeadman@gmail.com 0412 429 075

10. Raffle Draw:
