#### ACTIONS ARISING

#### SECRETARIES REPORT

1. Apologies for my non-attendance, a late call to Sydney for baby sitting duties!
2. During the past month there have been a significant number of applications received to join the CVMCE. I anticipate the names and details will be covered by others during the meeting but it shows that the interest is still continuing to grow and is strong in the area.
3. Information was circulated to members during the month of October about a number of events including the All Holden Day, held on 20th Oct a 4WD trip that Richard Fisher was promoting and the Bawley Vale Winery Show and Shine
4. Our club held its own Show and Shine event last weekend and from comments that I have received it was a great day. My congratulations to the organisers, in particular Tim and Linda, who put in an outstanding effort and also to all of those

that assisted. I was on my way back from an overnight stay in Taralga and could not attend.

5. A call out was sent seeking assistance for the Harley Riders who will be passing through Moruya on 10 Nov. I believe the response was outstanding and I am sure that the breakfast organised via Peter Marshall is going to be a huge success.

6. As always, a number of club magazines have been received including the following:

Cowra Antique Club

Bush Telegraph (they don't seem to have caught on to the fact we are no longer members).

Macquarie Towns

The Colonial

7. A note has been sent to all members about the Christmas Lunch and details will be covered during the meeting.

#### MOTOR TORQUE

Barry Apps provided fascinating insights into his love of painting. When Barry arrived from the UK he was struck by the light in Australia – harsher and brighter with more defined shadows and other more subtle differences, to his home country. Barry spent 15 years primarily using water colours before experimenting with the use of pastels and acrylic paint. These days he divides his time between painting and working on cars – nice work if you can get it. Barry then answered several questions from an interested meeting, noting that he paints mainly from photos and does commissions to order.

#### GENERAL BUSINESS

- President Tim updated the meeting on the matter of taking members of the local Probus Club on the 28 November Wednesday run.
- The Inspectors Meeting has been held over to a date to be determined in December.
- The Christmas function will be held at the Soldiers Club, Batemans Bay on the 16<sup>th</sup> December 2018. There are 120 tickets on sale. Tables will be set for 10 people. Members Lunch will be \$20 with non members paying \$30.

#### RAFFLES

Prizes were well distributed, although Andy Derwent was a little greedy in winning twice.
