Event Director's Report

Wednesday Runs– The run to the Opal Aged Care Home was a great success. 27 cars attended and the residents appreciated having us there.

There was a mix-up with the destination of the run to Tuross Head. Our event sheet mistakenly showed Lilli Pilli as the venue. Emails are usually sent out notifying of any changes in venue. It was decided that the website or our Facebook page should be checked for any changes prior to a run.

It was mentioned that there is no-one to organize the BBQ run. Rob asked for volunteers.

There was some discussion regarding whether run sheets were still necessary and it was concluded that we will continue to use them for the time being.

General Business

Our condolences are sent to Jake on the passing of his father.

The club now has a Facebook page which also shows runs.

Linda and Mike Rose have taken over the club regalia position.

It was discussed whether a motor bike sub-committee could be formed to cater for special runs for bikes. Any member interested in this please contact Max Schier or Jake Harris.

Richard spoke about how well his 4WD run out to the back of Mogo along the Bimbimie Rd went. It was quite a dusty drive but not for those leading, was it, Richard??

Other Business

Lance went on the Clyde River Classic. There were 150 cars and 100 bikes and they lunched at the Steampacket Hotel. Awards were won by Wayne Marshall for his '33 Ford and Peter for his Indian motorbike. It was a very successful event.
