President's Report

Rob stated his hopes that all members (and their vehicles) are safe from the fires raging around the state. He also said that would be there to help anybody who has been affected by them and is sure other members would too.

Secretaries Report

I have an assortment of magazines from other car clubs for members perusal. I also have the Australian Motorlife Museum and Bega Heritage Motor Club Magazines in email form. Please let me know if you would like me to forward you a copy.

- Moved – Mark Beaver
- Seconded – Phil Southwell

Treasurers Report

As attached to the copy of the minutes.

- Moved – John Marsden
- Seconded – Mark Beaver

Registrars Report

- Membership Update – There are 5 new members bringing the number up to 450 memberships which means over 600 members.

- If any member should obtain a new registration please advise a committee member to keep our records up to date.

Event Directors Report

Jake is keeping a list of runs which may be of interest to members. Let him know if there is a run you would like to attend or include.

On the first Sunday of the month there is a car meet at the River Café at Nelligen. Other car clubs attend this event and it is now on our event calendar too.

General Business

The Club Christmas Party starts 2pm at Smokey Dan's at Tomakin.

Richard Fisher reported on the Lollapalooza event – 4 cars and 4 bikes attended. It was mentioned that it could be suggested to the school that the timing of our car arrival be changed to sometime after 5pm to allow more cars to attend. Also a better site be arranged for our cars – only approx. 60-70 people checked out the vehicles out of a possible 1000 attendees due to being stuck down the back of the property.

Brett Moore made the suggestion to cancel the use of run sheets. He said other clubs don't use them and they are not a requirement of the RMS. The NRMA and Shannon's insurance companies only require RMS conditions be met. Some members still have misgivings about insurance claims.

A motion was moved by Ann Thistleton to abolish the use of run sheets. The motion was seconded by Mark Beaver. The motion was voted on and carried.

We had a guest speaker – Chris Tague from the Bateman's Bay Rock 'n' Rollers who spoke of a 2 day event they are running 28th -29th February, 2020. It is primarily a music and dance event but would like us to show some cars of that era. It's being held at the Bateman's Bay Soldiers Club. Check out the ad in our mag. They are also holding a Christmas Party at the club on 18/12/19 and a New Year's Eve event both of which they have invited our members to.

Lance took a vote of interest in members buying banners to hang on their cars at club events.

The club now has it's own storage shed at Moruya Industrial Park. We would like to organize a working bee to build shelving for it. Please contact a committee member to volunteer. We can create a library of manuals and other books of interest for members to borrow.

Lance has 80 Hot Rod Magazines free for the taking.

It was suggested for the club to send a letter of thanks to the Moruya Golf Club for the generous use of their premises.

Other Business

We would like to encourage the wearing of name badges at club events to make it easier for new members (and old members!).

Raffles

Les Symons won the delicious honey, John Symons scored the half dozen eggs and new member Ron won the dozen eggs and the Castrol mat.

Next Committee Meeting – 6th January, 2020

Next Club Meeting – At the new premises in the old Mordek office, Shelley Rd Moruya Industrial Estate on 3rd February, 2020

Meeting Closed 8.30pm
